

**"DANDERINE" FOR
FALLING HAIR**

Stop dandruff and double
beauty of your hair
for few cents.

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug store for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair stops coming out and you can't find any dandruff. Your hair appears soft, glossy and twice as thick and abundant. Try it—Adv.

**CORNS PEEL

There's Only One Genuine Corn-Peeler—
That's "Geta-It."

There's only one happy way to get rid of any corn or callus, and that's the painless-peel-off way. "Geta-It" is the only corn remedy in the world that does it that way—effectively.

"2 drops of 'Geta-It'—Corn is doomed." thoroughly. Why get down on the floor, tie yourself up into a knot, and have to feel with "packaging" plasters, greasy ointments that rub off, sticky tape, and digging knives and scissors, when you can peel your corn or callus in one complete piece, peacefully and surely, with magic, simple, easy "Geta-It"? It takes 2 or 3 seconds to apply "Geta-It"; you use 2 or 3 drops, and that's all. "Geta-It" does the rest! Get rid of that corn-pain at once, so that you can work and play without corn torture. Be sure to use "Geta-It." It never fails.

"Geta-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago, Ill.

**LIBAU SEIZED

And the Lettish Provisional

PREMIER PROTESTS TO
GEN. VON DER GOLTZ

Latter Expressed Astonish-
ment Over the In-
cident

Copenhagen, April 18.—German and Baltic-German troops have forcibly seized Libau and overthrown the Lettish provisional government, according to advices by the Lettish Press bureau here.

Lettish reserve troops in Libau were surprised Wednesday by strong German forces, which overpowered the Letts and disarmed and interned them. Later the Germans arrested the Lettish minister of the interior and several officials, it is said.

The surprise was possible, according to reports, because of the fact that Lettish troops had been sent to the front while Baltic-German detachments had been brought back to Libau. The city is now held and patrolled by the Germans.

Premier Ullmann has protested to General Von Der Goltz, commander of the German troops in Latvia, and the latter has expressed his astonishment over the incident. The Letts accuse the Germans of constantly hindering them from mobilizing against the bolsheviks, which, it is said, accounts for the fact that Riga is still in the hands of the soviet forces.

A telegram was sent Wednesday evening by Premier Ullman to the Lettish representatives in Denmark, reporting the seizure of Libau and adding that he, himself, is safe and collaborating with the British mission and British warships in the harbor. The telegram stated that the Germans had occupied the premier's department and seized the papers there. It was added that the Germans demanded that one-third of the members in a new ministry, which they insist shall be formed, shall be Germans. The telegram concludes:

"We will accede to nothing."

HARDWICK

There has been a large sale of tickets for the annual Easter ball for the benefit of the Hardwick hospital at the local gymnasium hall next Monday evening, April 21, and the committee in charge is looking forward to a big time and the affair promises to be one of the most successful of its kind ever held.

Mrs. E. W. Fuller has returned to her home in Lyndonville, after having spent several weeks here with her sister, Mrs. H. W. LaValley.

Mrs. Mary D. Bunker is assisting in the Direct Importing company store. Mrs. LaValley is to have a vacation soon, and Mrs. Bunker will have charge of the store.

Three real estate deals have taken place in town during the past week. Through the Strout representative, Frank T. Carr of this place, the Bunker farm down the river has been sold to William E. Thompson of Sherbrooke, P. Q., and he will take possession about May 1. This is a good farm and sold for right around \$5,000. Through the H. A. Shepard agency, Mr. and Mrs. H. A. Jackson have bought the John L. Berry property on Wolcott street, and Rev. A. S. Boie of East Hardwick has bought the McGuin property on Spring street, the latter taking possession as soon as the present occupant, C. H. Willson, moves into his own house on Wolcott street.

Several from here are planning going to Boston to witness the parade and celebration in honor of the soldiers of the 26th division.

Fred Eastman has bought a pair of big work horses, which he will use on the road machine this summer and for other work in the heavy trucking line.

Messrs. C. A. Stanford, C. L. French, Fred Eastman, Dan Aldrich and J. A. Gallagher were in St. Johnsbury on Wednesday to attend the county road commissioners' meeting.

Judge and Mrs. W. H. Taylor were visitors in Burlington the middle of the week.

Hardwick's quota of \$55,000 in the Victory or fifth Liberty loan, the chairman thinks, will be raised very easily and all completed in the first week, and the boys scouts will do about all the active work there is to be done, as they will receive a medal or bar from the government if they sell 10 or more bonds to that many different people. **SILVER IS AGAIN KING
THROUGH ARIZONA**

With the Copper Market Stagnant as a Result of Cessation of War Requirements, the Demands for White Metal Are Pouring in from All Parts of the Globe.

Phoenix, Ariz., April 17.—Silver is king again in Arizona says C. P. Reiniger, president of the Association of Arizona Mining Men. With the copper market stagnant as a result of the cessation of war requirements, the demands for white metal are pouring in from all corners of the globe. Many of the producers are replacing their copper-handling equipment with plants to turn out silver.

"There is a big demand for silver in China and India," says George D. Bethuns of Globe. "The United States government is filling it at \$1 an ounce, the same price at which it is supplying 200,000,000 ounces of the metal to the British government on contract."

Years ago when Tombstone was at the height of its fame, Arizona was a great silver producer. Then came the slump. Copper was discovered. Last year, according to the estimate of the United States geological survey, Arizona produced \$192,000,000 worth of copper.

"Give us copper," was the cry from the United States and the allies.

With the armistice conditions changed overnight. One billion pounds of copper, more than a third of which was Arizona production, are estimated to be awaiting sale, but copper is down and silver is up.

Surveys of the state indicate that in the Prescott and Tucson mines silver predominates over the other metals; in Bisbee, Jerome, Globe and Ajo its values as a by-product run heavily.

From the neighborhood of Prescott come reports of the revival of old silver mines. Battle Flat, scene of a sanguinary

"I keep house for my husband and myself and I got into a weak, run-down, nervous condition and no appetite. I heard how Vinol helped others and tried it and it built me up and I am strong, have a good appetite and feel better in every way." — Mrs. James Croker.

For all run-down, nervous, exhausted conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Holmdel, N.J.

"I live on a farm and am a hard working woman and for weak, run-down, overworked conditions have found nothing that will create an appetite, build me up and make me strong equal to Vinol. It helped several others in our neighborhood, too." — Mrs. Thomas Ellis.
